4-H Wildside Outdoor Photography Scavenger Hunt

Winning Categories
Submit at least 10 out of the 14 items listed to receive a 4-H Wildside Photography Patch. A volunteer judging committee will decide the winners for the following categories and each winner will receive their photo framed in a customized 4-H photo frame.

- Most Interesting Tree
- Most Colorful Sunrise or Sunset
- Best Black & White

All participants will be entered into a drawing and one person will win a Fujifilm Instax Instant Camera

Optional Photography Zooms Sessions

Take your 4-H Photography Project Further

Communication

• Talk to your friends and 4-H club about your photography project.
• Interview a professional photographer.
• Practice how to present your photos properly, mounting, framing etc.
• Create a demonstration for County Activities Day (topic ideas: camera equipment, lighting, composition etc.)

Civic Engagement

• Photograph your 4-H club members and activities and make an album to share.
• Volunteer to take photos at the County Fair, County Activities Day, or community event.
• Use your photography skills to explore your County and tell a story about your town.

Leadership

• Show your club how to take and edit photos.
• Organize a photo contest or display for your local library or another 4-H club.
• Teach a photography SPIN to younger 4-H members.

Opportunities in New Hampshire & Beyond

• Submit your photos into the 4-H County Activities Day Photography Contest.
• Exhibit your photos in the County Fair and receive premiums.
• Create a display/exhibit at the state 4-H Maker Expo Event.
• Attend Teen Conference and participate in a photography workshop.
• Attend the National 4-H Photography Summit

Career Opportunities

**Studio/Portrait Photographer:** Take pictures of people in groups or individuals.

**Wildlife Photographer:** Take photos of wild animals in their natural surroundings.

**Aerial or Drone Photographers:** Take photos from an aircraft, capture vast landscapes, mountain tops and commercial real estate.

**Wedding Photographers:** Take photos before, during and after wedding ceremonies. Edit, develop and create wedding album.

**Marketing Photographers:** Take images for advertising purposes.
